

Pricing & Frequently Asked Questions

What space is available to rent for a private party at Corkscrew?

We have two Corkscrew locations (Rockbrook and Blackstone). Both locations can close to the public for large private events up to 125 people. We have a party room and patio at our Blackstone location that can be rented out for private parties.

Is there a private room at the Rockbrook location?

No, it is one big open space plus patio. The only option for renting space at Rockbrook is renting the whole space where we close to the public. Call for pricing options as it depends on multiple variables.

What is best for a party of 15 people or less and do not need completely private space?

A reservation, ordering off the daily food and drink menu.

Do you charge for renting the private party room and/ or patio at Blackstone?

We have minimum spend requirements depending on the day of the week and time of the event:

Party room on Friday and Saturday after 5pm: \$1,000 event minimum (three hour maximum)

Party room on Friday and Saturday before 5pm and Sunday - Thursday all day: \$500 event minimum (three hour maximum)

Add the patio space to any party room is a \$1,000 minimum spend per hour.

* Minimum spend sales are before tax and gratuity. In the case the minimum is not met through the food and drinks served there would be a balance of the difference added to your tab plus tax and gratuity. Retail sales do not apply to minimum spends.

When renting the party room only, can we use the patio without renting the whole patio?

No, we do keep the area separate unless you include the patio for space you are renting. We keep the middle garage door shut for the party to be private from other guests and the tables on the patio are reserved for the other guests who will be dining with us.

How many food items do I need to order? How many items should I select?

We recommend choosing four to eight different items depending on how much food you want to provide.
